

Dear Mother,

Happy Mother's Day!

In gratitude of everything that you have done for me, I have sponsored a Mother & Baby Kit from Al-Mizan Charitable Trust in your honour.

The Mother & Baby Kit will go to a new mother living in poverty in the UK and contains essential baby items, such as nappies, clothes, toiletries, accessories and household items.

You did everything that you could to give me the best start in life. Together, we can now make sure a new mother can give her baby what it needs and help her to escape the vicious cycle of poverty.

With love,
